We will assist you as we currently do with this Maui Printable PDF Ring Size Guide.

## Strip of paper test:

1. **CUT:** Cut a thin strip of paper, string or a ribbon with scissors.
2. **PREPARE:** Place the strip around your finger. Mark the intersection at both ends of the paper strip with a pen.
3. **Free tip:** Don't wrap the strip of paper or the ribbon too tight around your finger.
4. **MEASURE:** Take a ruler and measure the centimeters you get.
5. **COMPARE:** Compare the result with our size chart.
6. **Free tip:** If you get someone for help, the whole process will be much easier for you.

## Maui Ruler Test:

1. Print Maui Ring Sizer Ruler below.
2. Now carefully cut it.
3. Create a small slit on the mark labeled "Your Size".
4. Put the pointed end into the slit so that a circle is created.
5. **MEASURE:** Place the circle around your finger and tighten the ruler around it.
6. **DEFINE:** The number line located at the "Your size" slit is the proper ring size.
7. **Free tip:** If you get someone for help, the whole process will be much easier for you.

Wrap it **SNUGLY** around your finger  
for an accurate measurement!

## Bonus Maui Ring Test:

1. Print Maui Chart of ring size circles.
2. Find your favorite or your loved one favorite ring.
3. **MEASURE:** Place the ring on the circles until you reach your size.
4. **DEFINE:** The match that perfectly fit is your proper ring size.
5. **Free tip:** Save the chart for future measurements.
6. **Free tip:** If the ring falls between two sizes, order the smaller size.
